## Nordstrom Launches International Shopping in 30 Countries

November 4, 2009

SEATTLE, Nov. 4 /PRNewswire-FirstCall/ -- Seattle-based Nordstrom, Inc. (NYSE: JWN) has introduced international shopping online to better serve customers globally, the company announced today. Customers outside and inside the U.S. can now browse and buy merchandise from nordstrom.com in different currencies and easily ship items to 30 countries.

Customers have the flexibility to ship to a particular country but pay in a separate currency. The new online feature also enables simple, reliable international order fulfillment and shipping. At checkout customers receive an estimated delivery timeframe, global tracking number, a guaranteed exchange rate at purchase and a complete order total including all applicable international duty, tax, and delivery costs. Available currencies for international shopping currently include:

- Canadian dollar (CAD)
- Euro (EUR)
- British pound (GBP)
- U.S. dollar (USD)
- Czech koruna (CZK)
- Danish krone (DKK)
- Estonian kroon (EEK)
- Hungarian forint (HUF)
- Latvian lats (LVL)
- Lithuanian litas (LTL)
- Polish zloty (PLN)
  
- Swedish krona (SEK)

"We are excited about this opportunity to better serve our customers internationally," said Jamie Nordstrom, president of Nordstrom Direct. "We've made it a lot easier for our customers abroad to shop from nordstrom.com. Sending great fashion merchandise from Nordstrom to friends and family overseas is also more convenient than ever for our domestic customers. We will continue looking for ways to improve the shopping experience for customers, no matter where they live."

Nordstrom has partnered with *FiftyOne Global Ecommerce* to offer international shopping. FiftyOne ensures a consistent shopping experience for Nordstrom customers by integrating all aspects of the international transaction -- global pricing, payment, logistics and delivery -- into an automated online order process.
