Nordstrom Refinances Revolving Credit Facility

April 1, 2015 at 4:03 PM EDT

SEATTLE--(BUSINESS WIRE)--Apr. 1, 2015-- Nordstrom, Inc. (NYSE: JWN) announced today that it has completed a new five-year \$800 million senior unsecured revolving credit facility. The new facility replaces an \$800 million senior unsecured revolving credit facility that was scheduled to mature in March 2018.

Effective today, the revolving credit facility may be used for general corporate purposes and is scheduled to mature in April 2020. At present, there are no outstanding borrowings under the revolver.

The arrangement of the revolving credit facility was co-led by Bank of America Merrill Lynch; Wells Fargo Securities, LLC; and US Bank.

Certain statements in this news release contain or may suggest "forward-looking" information (as defined in the Private Securities Litigation Reform Act of 1995) that involve risks and uncertainties, including, but not limited to, trends in our operations. Such statements are based upon the current beliefs and expectations of the company's management and are subject to significant risks and uncertainties. Actual future results may differ materially from historical results or current expectations depending upon factors including, but not limited to: successful execution of our growth strategy, including expansion into new markets, technological investments and acquisitions, our ability to realize the anticipated benefits from such growth initiatives, and the timely completion of construction associated with newly planned stores, relocations and remodels, all of which may be impacted by the financial health of third parties; our ability to manage the transformation of our business/financial model as we increase our investments in growth opportunities, including our online business and our ability to manage related organizational changes; our ability to maintain relationships with our employees and to effectively attract, develop and retain our future leaders; effective inventory management, disruptions in our supply chain and our ability to control costs; the impact of any systems failures, cybersecurity and/or security breaches, including any security breach that results in the theft, transfer or unauthorized disclosure of customer, employee or company information or our compliance with information security and privacy laws and regulations in the event of such an incident; successful execution of our information technology strategy; efficient and proper allocation of our capital resources; our ability to safeguard our reputation and maintain our vendor relationships; the impact of economic and market conditions and the resultant impact on consumer spending patterns; our ability to respond to the business environment, fashion trends and consumer preferences, including changing expectations of service and experience in stores and online; the effectiveness of planned advertising, marketing and promotional campaigns in the highly competitive retail industry; weather conditions, natural disasters, health hazards, national security or other market disruptions, or the prospects of these events and the impact on consumer spending patterns; our compliance with applicable banking related laws and regulations impacting our ability to extend credit to our customers, employment laws and regulations, certain international laws and regulations, other laws and regulations applicable to us, including the outcome of claims and litigation and resolution of tax matters, and ethical standards; impact of the current regulatory environment and financial system and health care reforms; compliance with debt covenants, availability and cost of credit, changes in interest rates, and trends in personal bankruptcies and bad debt write-offs; and the timing and amounts of share repurchases by the company, if any, or any share issuances by the company, including issuances associated with option exercises or other matters. Our SEC reports, including our Form 10-K for the fiscal year ended February 1, 2014, contain other information on these and other factors that could affect our financial results and cause actual results to differ materially from any forward-looking information we may provide. The company undertakes no obligation to update or revise any forward-looking statements to reflect subsequent events, new information or future circumstances.
