J.Crew and Nordstrom Announce Partnership

August 29, 2016

Edited J.Crew collection to be featured in 16 Nordstrom stores and at Nordstrom.com

NEW YORK, Aug. 29, 2016 /PRNewswire/ -- J.Crew Group, Inc. (jcrew.com) announces that Nordstrom (NYSE: JWN) will sell an edited assortment of the J.Crew collection at select Nordstrom full-line stores and at Nordstrom.com beginning September 12th. The assortment will include women's apparel, accessories and petites (online only).

J.Crew Group's Madewell has successfully been partnering with Nordstrom since 2015. Based on the strong customer response, Madewell expanded into 20 new locations in July and is now available at a total of 76 Nordstrom locations and at Nordstrom.com. Nordstrom is the only store to sell J.Crew and Madewell products outside of their own retail stores in the United States.

"We know our customers love J.Crew and we're excited to be offering this coveted brand in our stores and online. Partnering with quality brands like J.Crew that have exclusive distribution is part of our long-term strategic agenda," said Pete Nordstrom, co-president.

Millard Drexler, J.Crew's chairman and CEO, said, "This was an easy decision. Nordstrom is the perfect partner because we both share the same high standards of customer service and store experience. Additionally, we are known for exceptional design, quality and style, which we know will appeal to the Nordstrom customer."

The women's fall 2016 assortment will feature signature J.Crew styles, including iconic classics such as their famous Regent and Rhodes blazers, Italian cashmere, outerwear and their famous Martie pants, to name a few. The pieces will be merchandised and presented in the signature J.Crew way: pattern mixing (like prints with stripes), quirky styling and bright colors, with a fun assortment of accessories for the finishing touch.
