SEATTLE, Sept. 11, 2017 /PRNewswire/ -- Leading fashion specialty retailer [Nordstrom, Inc.](#) is pleased to announce Nordstrom Local – the company's latest retail concept and neighborhood hub where customers can shop and access Nordstrom services in a convenient, central location. This brand new Nordstrom experience will launch in West Hollywood on October 3, on the same day as the company's Westside Pavilion store relocation to Century City.

Nordstrom Local will have a 3,000 sq. ft. footprint; much smaller than an average 140,000 sq. ft. Nordstrom store. This service-focused concept store has no dedicated inventory – rather, customers who want to shop will have access to [Personal Stylists](#), who can transfer merchandise in for customers, as well as a suite of convenient services like [Buy Online, Pick-Up In-Store \(available same-day\)](#), [Alterations & Tailoring](#), [Trunk Club services](#), manicure appointments and more (please see full list below). "As the retail landscape continues to transform at an unprecedented pace, the one thing we know that remains constant is that customers continue to value great service, speed and convenience," said Shea Jensen, Nordstrom senior vice president of customer experience who led the Nordstrom Local initiative. "We know there are more and more demands on a customer's time and we wanted to offer our best services in a convenient location to meet their shopping needs. Finding new ways to engage with customers on their terms is more important to us now than ever."

Nordstrom Local will have one styling suite and eight dressing rooms surrounding a central meeting space where customers can sit comfortably, enjoy a glass of wine or beer, and chat with their Personal Stylists. Customers will also find Alterations & Tailoring and Order Pickup at the entrance, and items can be hand-delivered to a customer's car via Curbside Pickup.
