WHAT Pop-In@Nordstrom Celebrates Year of the Dog

Curated by Olivia Kim, dog aficionado and Nordstrom vice president of Creative Projects, the shop will carry organic pet food, green cleaning solutions, beds, bowls, leashes and more from some of the top brands for the modern pet. The shop will also offer a range of exclusive apparel and accessories for humans and pets featuring the world's most famous beagle – Snoopy, from the comic strip Peanuts.

"We wanted to find the best of the best pet products out there," said Kim. "It's everything you would want for the modern pet in your life that is not considered just a pet, but more of an actual family member. While it is the Year of the Dog, we wanted to make sure that we represented cats as well."

ABOUT POP-IN@NORDSTROM

Launched in October 2013, Pop-In@Nordstrom is an ongoing series of themed pop-up shops that transitions every four to six weeks to offer a new shopping experience and batch of new, often exclusive merchandise. Pop-In takes two forms: a shop curated around a theme featuring brands across different product categories (fashion, beauty, lifestyle, home/garden, sports/outdoors, etc.), or a partnership with a single brand to bring "the world of" to customers. Pop-In@Nordstrom was built on a monthly rotation to keep customers coming back to discover new brands, new merchandise and create a fun and compelling experience in stores and online. Each shop features a mix of hand-picked merchandise spanning the high/low price range, with price points often starting at \$5.

Pop-In@Nordstrom was the first initiative from the Nordstrom Creative Projects team, under the direction of Olivia Kim (vice president of Creative Projects). In her role, Kim focuses on creating energy, excitement, a sense of discovery and a bit of disruption through engaging and unique shopping experiences at Nordstrom, both in-stores and online. Kim's Creative Projects initiatives have established Nordstrom as a platform to test retail concepts, bring limited distribution collections to customers, and introduce them to the best up-and-coming brands and new talent.

Pop-In@Nordstrom partnerships have included: Pop-In@Nordstrom partnerships have included: Aesop, Alexander Wang, Converse, Danish home goods brand HAY, design-driven wares from Los Angeles based Poketo, Everlane, Gentle Monster, goop, Hanes, home goods from Liberty London's
