## Remembering Bruce Nordstrom

May 20, 2024 at 11:00 AM PDT

It is with deep sadness we announce our dad, Bruce Nordstrom, 90, passed away comfortably at home on Saturday, May 18<sup>th</sup> with his wife Jeannie by his side. Our dad will be remembered not only for his significant contributions to Nordstrom but also for his unwavering dedication to his family and friends. His passion, integrity and tireless work ethic served as an inspiration to everyone around him. But perhaps his greatest achievement was being an amazing father, husband and grandfather.

He is survived by his wife Jeannie, his sister Anne Gittinger, his sons Pete and Erik, daughters-in-law Brandy, Julie and Molly, and 7 grandchildren, Alex, Andy, Leigh, Sam, Sara, Micki and Chet. Our dad leaves a powerful legacy as a legendary business leader, a generous community citizen and a loyal friend.
