SEATTLE, July 23, 2025 /PRNewswire/ -- Seattle-based fashion retailer Nordstrom, Inc. announced plans to open a new Nordstrom Rack in Canton, OH in fall 2026.

"We look forward to being a part of the Canton community and serving our customers with an amazing offering of great brands at great prices," said Gemma Lionello, President of Nordstrom Rack. "We're excited to grow our footprint in the Cleveland market and introduce new customers to the Nordstrom experience."

Lionello added that in this location "customers will be able to take advantage of our convenient services such as online order pick up from both Nordstrom.com and NordstromRack.com, and they can make returns easily."

The 23,800-square-foot store will be located at The Venue at Belden, a popular shopping center that includes Burlington, TJ Maxx, & HomeGoods. The Venue at Belden is owned by Axiom Realty and is ideally located at the hard corner of Everhard Rd NW and Whipple Ave NW, with a combined 50,520 VPD at the crossroads.

"The addition of Nordstrom Rack further solidifies The Venue at Belden's position as the premier soft-goods shopping destination in the Belden Village trade area," said Adam Rosenzweig, President of Axiom Realty. "This new anchor tenant enhances our already strong retail lineup, drives increased foot traffic, and elevates the overall experience for both our customers and the surrounding North Canton community."

Nordstrom Rack is the off-price retail division of Nordstrom, Inc. and plays a critical role in the company's Closer to You strategy, which focuses on delivering customers a more convenient and interconnected experience across its stores and digital platforms. Nordstrom Rack offers customers up to 70 percent off on-trend apparel, accessories, beauty products, home decor and shoes from many of the top brands sold at Nordstrom stores as well as core services like online order pickup for Nordstrom.com and NordstromRack.com, easy returns and alterations at select stores. Nordstrom Rack is the largest source of new customers to Nordstrom.

This new location expands the company's physical footprint and economic impact in Ohio. It currently operates three Nordstrom stores and eight Nordstrom Rack stores in Ohio, generating more than 900 jobs statewide.

Nordstrom is committed to investing in the diverse communities where it operates. Over the past four years, Nordstrom, with its customers, has donated more than \$2 million in support of its long-term partnership with Big Brothers Big Sisters of the United States. These proceeds support the recruitment, training and engagement of adult mentors and mentorship moments between Bigs and Littles, including preparing for an interview, learning to tie a tie and helping with homework.
