Background

Nordstrom Rack is the off-price retail division of Nordstrom, Inc., one of the nation's leading fashion specialty retailers. Nordstrom Rack offers clothing and accessories for the entire family at considerable savings – including an extensive selection of shoes. Rack stores are designed to be self-service with merchandise organized by collections, items and sizes to make it easier for customers to make selections.

History

The first Nordstrom Rack opened in the lower level of the downtown Seattle Nordstrom store in November of 1972 as a clearance center for full-line store merchandise. As Nordstrom expanded to other parts of the country, Nordstrom Rack stores followed. There are currently 87 Nordstrom Rack stores in 23 states: Arizona, California, Colorado, Florida, Georgia, Hawaii, Illinois, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nevada, New Jersey, New York, Ohio, North Carolina, Oregon, Pennsylvania, Texas, Utah, Virginia and Washington.

Merchandise Resources

As a division of Nordstrom, Nordstrom Rack stores have the opportunity to purchase merchandise from the same vendors that are carried in the full-line stores. Because of the long-standing relationship Nordstrom has with many national brands, Nordstrom Rack can offer special items from these brands at exceptional prices. Customers can also find overstock items and end-of-season merchandise from many of these same vendors. Additionally, Nordstrom Rack offers clearance merchandise transferred from Nordstrom full-line stores. While these brands vary from season to season (and even market to market), one thing remains constant: their incredibly low prices.
