Explanation of Responses:

- Represents Performance Share Units originally granted on March 9, 2020 and canceled by the issuer without payment on August 18, 2020.
- Granted under the issuer's 2019 Equity Incentive Plan.
- The exercise price will be equal to the closing price of the issuer's common stock on August 27, 2020.
- The number of options granted is not known at this time. The number is calculated as a function of certain assumptions, including risk-free interest rate, volatility, dividend yield, and expected life. The formula for determining the number of options granted is: number of options = target award value / option fair value. This Form 4 will be amended to report the number of options granted when that number has been calculated.
