DAYTIME SPARKLES BY MAGGIE LEE FACT SHEET

WHAT:

Since 2018, Nordstrom has been the exclusive sponsor of The Whitney Museum of American Art's emerging artists program. As part of this ongoing partnership, Nordstrom NYC invited one of the Whitney's emerging artists, Maggie Lee, to take over and recreate a dedicated space within the NYC Flagship store. Appropriately titled *Daytime Sparkles*, the installation is seen through the artist's eyes as a piece of glitter floating about in a black and white world. Some of the concepts explored in the varying artworks are centered around the idea of loitering, secret spaces, advertising and ambiguity.
