EXPERT PICKS & HOW TO SHOP

Take it from our style experts, the Anniversary Sale is the best time to shop and save on your favorite items and wardrobe essentials. Read on for their tips and tricks for shopping the sale and take a look at a few of the products they're most excited for:

- **Linda Cui Zhang, Associate Fashion Director**, says, "Refresh your wardrobe with versatile styles that you can wear now, and layer up on cooler days. A sweater does double duty: as a scarf over the shoulders and a cozy pullover. Brown in all tones – camel, coffee, cognac brings warm sophistication to your outfit. Pick your place for a pop of color with a new lipstick and a red flat." To view Linda's picks, click [HERE](#).

- **Autumne West, Nordstrom Beauty Director** says, “Anniversary Sale is my favorite time of the year to stock up on my daily go-to products like skincare, lip balm and mascara. For me, the best part of the Sale is discovering new, inspiring items for the season that I know I can style a few different ways. I’m already dreaming about a full look in the Veronica Beard Lawrence Dickey Jacket paired with a dramatic eye made with the YSL Couture Color Clutch Eyeshadow Palette.” To view Autumne’s picks, click [HERE](#).
- **Jian DeLeon, Nordstrom Men’s Fashion Director** says, “This year’s Anniversary Sale is an exciting one because we not only are offering reliable favorites worth stocking up on, but exclusive products that instantly improve your wardrobe from some of my personal favorite brands.
